

**Electrical Protection Class 3 - RIG316B** 

Durable, high-voltage electrical protection gloves, for maximum safety and great comfort

## Previously known as: E144

Electrical

Heavy Duty

# Durable, high-voltage electrical protection gloves, for maximum safety and great comfort

- Heightened durability and flexibility: ActivArmr<sup>®</sup> Electrical Protection Class 3 - RIG316B gloves consist of natural rubber latex, made through an eco-conscious dipping process, for flexible, durable safety
- Advanced ergonomics: These electrical insulated gloves' non-splayed fingers and hand-at-rest design limits hand fatigue
- Elevated comfort: Their flared cuff leaves room for ventilation and clothing
- Increased practicality: These electrical insulated gloves' smooth finish makes donning and doffing convenient
- **Specialized defenses:** They tolerate a touch voltage AC maximum of 26500 V (DC maximum 39750) and are certified to resist very low temperatures (Category C)
- Certified protection: They boast EN Category R certification for passing A+Z+H properties\* and meet relevant CSA, NFPA and OSHA standards \*As required by EN60903

#### Industries

- Automotive
- Construction
- Electrical
- Machinery and Equipment
- Mining

#### Applications

- Applications with risk of touch voltage
- Electrical Contractors
- Hybrid engine manufacturing and repair
- Maintenance Repairs and Operations in all industrial environments (MRO)
- Mass Transit Repair and Maintenance
- Power maintenance, repair & transmission
- Telecom repair near electrical wires

# **Electrical Protection Class 3 - RIG316B**

Durable, high-voltage electrical protection gloves, for maximum safety and great comfort

Previously known as: E144

#### **Key Features**

- Natural rubber latex formulation: Durability and flexibility combined
- Ergonomic design: For safety gloves that minimize hand fatigue
- Generous flared cuff: Ideal space for ventilation and clothing

### **Performance Standards & Regulatory Compliance**

#### **REACH Compliant**

In-house testing

X243D

#### **Specifications**
