

FR FORCE® LIGHTWEIGHT LONG SLEEVE SHIRT

BEAT THE HEAT WITH A VENGEANCE

FR FORCE® LIGHTWEIGHT LONG SLEEVE SHIRT 104138

IN THE MARKET & EXCLUSIVE TO CARHARTT THROUGH 2020

104138

FR Force® Lightweight Long Sleeve Shirt

- 50% Lenzing FR, 38% Aramid, 10% Polyamide, 2% Antistat
- 4.7-ounce, optimum FR blend: unique, honeycomb weave engineered for added breathability, yielding – the lightest FR fabric ever created
- Lightweight & toughness combined; equally as tough as original FORCE FR, the standard for warm-weather FR breathability and moisture-wicking performance
- Easy-Care wrinkle resistant for all-day sharp look
- Engineered for 10% stretch for increased mobility on the job
- Unmatched color fastness stands up to exposure to light and laundering
- Anti-Stat for cling-free comfort
- Tradesman double-layer pocket on left chest with back closure
- Meets the performance requirements of NFPA 70E and is UL® classified to NFPA 2112, ASTM 1506
